Graduate Careers Australia – Career Profiles
The website offers an insight into a range of careers in a multitude of different industries.

MyFuture: Information for Parents (and students!)
This website is a great start!

What is ADFA?
The Australian Defence Force Academy (ADFA) is a unique university (in Canberra) where you’ll get paid a salary ($39,525) to study a degree from the University of New South Wales (UNSW). You’ll also undertake military leadership training and learn to become an officer in Australia’s Navy, Army or Air Force. In addition to the salary all tuition fees are covered. Applying for ADFA is a long application process that can take up to 12 months, so if you’re interested it would be best to get started in yr 11 or beginning of yr 12. Find out more information go to: [http://www.defencejobs.gov.au/education/adfa/howToApply/applicationProcess.aspx](http://www.defencejobs.gov.au/education/adfa/howToApply/applicationProcess.aspx)

**YEAR 12 MATTERS**

**ANU 2015 Tuckwell Scholarships**  Applications close Fri 21st March
This is a very generous scholarship - $20,000 per year.
Applicants are selected based on academic results, significant achievements, demonstration of Tuckwell Scholar attributes and desire to eventually give back to Australia. So if you have been involved in extra curricular activities, have demonstrated leadership qualities and expect to get an ATAR in the 90’s think about applying!
http://tuckwell.anu.edu.au/home/

**Professional Cadetships Australia 2014**

**Cadetship Programs**

**Business Cadetship** applications are now open and closed: Wed 14<sup>th</sup> May

**Engineering and Technology Cadetship** applications open: Mon 28<sup>th</sup> April (Close 13<sup>th</sup> June)

**University of Sydney HSC Preparation Courses**
Courses throughout the year for a range of subjects, including Biology, Mathematics, Economics, Physics, and more.
http://cce.sydney.edu.au/courses/HSC

**Bachelor of Information Technology Co-operative Scholarship Program (UTS)**
Applications open: Mon 28<sup>th</sup> April
Scholarship is worth $15, 500 per year of study, and there are two six month full-time industry placements with sponsor organisations. [http://www.uts.edu.au/future-students/information-technology/it-undergraduate/bit-co-op-how-apply](http://www.uts.edu.au/future-students/information-technology/it-undergraduate/bit-co-op-how-apply)

REMEMBER THAT YOU DO NOT HAVE TO BE DOING an ‘IT’ SUBJECT FOR THE HSC BUT YOU DO HAVE TO HAVE AN INTEREST IN IT!
You’ll be selected on a combination of interview performance and your ATAR. Each year they take in applicants whose ATAR falls in the range 85 to 99.50, so don't be too scared to apply - you have to be in it to win it!

Judy Green  Careers Adviser  4<sup>th</sup> March, 2014
